

Noble Drilling Service, Inc.'s FOIA Exemption Assertions

Document Number	Location and Description of Information	Justification for Exemption(s)
ED_526O365-000001776	Page 2; acronym definition	(b)(4) Proprietary Information
ED_526O365-000001776	Page 2, paragraph 1, 3 rd sentence – system description	(b)(4) Proprietary Information
ED_526O365-000001776	Page 2, paragraph 2 - system description	(b)(4) Proprietary Information
ED_526O365-000001776	Pages 2 - 3, all contents below “Key Components” heading	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001776	Page 3, all contents below heading “Drill Floor Drain Fluid Handling”	(b)(4) Proprietary Information
ED_526O365-000001776	Pages 4 – 5, Weather Deck Drain Fluid Handling / Surge Operation / Automated System Operation - all contents below identified headers	(b)(4) Proprietary Information
ED_526O365-000001776	Page 5 - OWS Testing - information below header and identification of specific model in header	(b)(4) Proprietary Information
ED_526O365-000001776	Page 5 - Alarms - all information below headers	(b)(4) Proprietary Information
ED_526O365-000001782	Page 1, second box on top row - identification of Noble engineer	(b)(6) Personal Information
ED_526O365-000001782	Page 1, second row of boxes - identification of drill rig component, including model number, serial number, and OCD model and serial number	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001782	Page 1, third row of boxes - Identification of software	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001782	Page 2 - paragraph 2 (24-Jun) - Identification of chief engineer	(b)(6) Personal Information
ED_526O365-000001782	Page 2 - paragraphs 3 (24-Jun), 2 (25-Jun) - Identification of specific drill rig component model	(b)(4) Proprietary Information
ED_526O365-000001782	Page 2 - paragraph 3 (25-Jun) - Identification of specific drill rig component model	(b)(4) Proprietary Information
ED_526O365-000001782	Page 2 – signature and identification of CWS service technician and customer representative	(b)(6) Personal Information
ED_526O365-000001782	Page 3 - Identification of Noble's service technician in four places, and phone number	(b)(6) Personal Information
ED_526O365-000001782	Page 3 - Identification of product model in 6 spots throughout document, and identification of product located in last sentence of NAG Actions/Recommendations	(b)(4) Proprietary Information
ED_526O365-000001785	Page 1, second box on top row - Identification of Noble engineer, located at the top of the page and signatures on the bottom	(b)(6) Personal Information
ED_526O365-000001785	Page 1, second row of boxes - Identification of drill rig component, model number, serial number, and OCD serial number	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001785	Page 1, third row of boxes - identification of software	(b)(4) Proprietary Information (b)(4) Security Information

Document Number	Location and Description of Information	Justification for Exemption(s)
ED_526O365-000001785	Pages 2-9 - Identification of Noble engineer on top row of boxes and signatures of engineer and customer representative located on the bottom of the page	(b)(6) Personal Information
ED_526O365-000001785	Page 4, paragraph 4 (21-May) - Identification of product	(b)(4) Proprietary Information
ED_526O365-000001785	Page 5, paragraphs 1-5 - Identification of product serial numbers	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001785	Page 6, paragraph 1 - Identification of products and model number; paragraph 2 – identification of products; paragraph 5 - Identification of model/serial numbers for productions	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001794	Pages 1 and 2 - Identification of specific equipment, and its serial number and type	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001794	Page 2 - Identification of specific equipment by shorthand throughout (6 references)	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001794	Pages 1-3 - Identification of commissioning engineer and client representative	(b)(6) Personal Information
ED_526O365-000001805	Page 1 - Identification of service technician and ship representative, including signature on bottom	(b)(6) Personal Information
ED_526O365-000001805	Page 1 - Identification of model number (3 references – in title, in service job reference line, in initial tasking box, and throughout NAG Actions/Recommendations box)	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001805	Page 1 - Serial numbers and product models identified in box "NAG Actions / Recommendations": paragraph 1 - 4 references; paragraph 2 - 4 references; paragraph 3 - 4 references	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001805	Page 2 - Identification of service engineer and ship representative, including signatures on bottom	(b)(6) Personal Information
ED_526O365-000001805	Page 2 - Identification of model number in document title; identification of serial number on third line at tope of page; identification of product in table (2 references)	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001805	Page 3 - Identification of service engineer and ship representative, including signatures on bottom	(b)(6) Personal Information
ED_526O365-000001805	Page 3 - Identification of model number in document title; identification of serial number on third line at top of page; identification of product in table (2 references)	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001805	Page 4 - Identification of service engineer and ship representative, including signatures on bottom	(b)(6) Personal Information

Document Number	Location and Description of Information	Justification for Exemption(s)
ED_526O365-000001809	Page 1 - Identification of Noble employee	(b)(6) Personal Information
ED_526O365-000001811	Page 1 - Identification of Noble employee	(b)(6) Personal Information
ED_526O365-000001811	Page 1 - Identification of product, referenced in document headline and "title" box	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001811	Page 1, step 1 - Identification of product and file path	(b)(4) Security Information
ED_526O365-000001811	Page 1, step 3 - description of tank	(b)(4) Proprietary Information
ED_526O365-000001811	Page 1, step 4 - identification of product in first sentence	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001811	Page 1, step 5 - Identification of product throughout (3 references), and description of items to check to ensure system functionality	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001811	Page 1, step 6 - Identification of product (3 references)	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001811	Page 1, step 7 - Identification of product (2 references)	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001811	Page 2, step 8 (top of page) -identification of file path	(b)(4) Security Information
ED_526O365-000001811	Page 2, step 1 - Identification of product (2 references)	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001811	Page 2, step 2 - Identification of products (9 references), and description of the streams and processing (lines 2-4)	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001811	Page 2, step 3 - Identification of products and drill rig components	(b)(4) Proprietary Information
ED_526O365-000001811	Page 2, step 4 - Identification of products and drill rig components	(b)(4) Proprietary Information.
ED_526O365-000001811	Page 2, step 5 - Identification of products (3 references)	(b)(4) Proprietary Information
ED_526O365-000001811	Page 2, step 6 - Identification of product	(b)(4) Proprietary Information
ED_526O365-000001813	Page 1 - Identification of Noble employee	(b)(6) Personal Information
ED_526O365-000001813	Page 1, step 2 - Identification of product	(b)(4) Proprietary Information.
ED_526O365-000001813	Page 1, step 3 – Identification of file path	(b)(4) Security Information
ED_526O365-000001813	Page 2, step 1 – Serial number and identification of file path	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001813	Page 2, step 2 – Identification of document models	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001813	Page 2, step 3 – Identification of products and model numbers	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001813	Page 2, step 4 – Identification of product	(b)(4) Proprietary Information
ED_526O365-000001813	Page 2, step 6 – Identification of products and models in subpart (d)(i)	(b)(4) Proprietary Information (b)(4) Security Information
ED_526O365-000001815	None	
ED_526O365-000001819	Page 1 – Identification of Noble employees	(b)(6) Personal Information
ED_526O365-000001819	Page 2 – Description of drill deck floor and proposal for configuration of holding tank	(b)(4) Proprietary Information
Noble CBI Set 2 – 00003	Page 9 – Flow path diagram developed and engineered by Noble	(b)(4) Security Information (b)(4) Proprietary Information
Noble CBI Set 2 – 00005	Page 1 – Identification and contact information	(b)(6) Personal Information

Document Number	Location and Description of Information	Justification for Exemption(s)
	of Noble employees	
Noble CBI Set 2 – 00005	Page 1, second line in “service performed” section – Model number of installed equipment	(b)(4) Proprietary Information
Noble CBI Set 2 – 00005	Page 2, first line and bottom of page – Identification and signatures of Noble employees	(b)(6) Personal Information
Noble CBI Set 2 – 00005	Page 2 – Serial number of equipment	(b)(4) Proprietary Information
Noble CBI Set 2 – 00006	Page 1, title – Identification of product; top of page contains model number and serial number of product; bottom of page – specifics of technical equipment	(b)(4) Proprietary Information
Noble CBI Set 2 – 00006	Page 1, top of page – Identification of Noble employee	(b)(6) Personal Information
Noble CBI Set 2 – 00006	Page 2, title – Identification of product; top of page - serial number and identification of Noble employee	(b)(4) Proprietary Information (b)(6) Personal Information
Noble CBI Set 2 – 00006	Page 3, title – Identification of product; top of page – serial number and identification of Noble employee	(b)(4) Proprietary Information (b)(6) Personal Information
Noble CBI Set 2 – 00006	Page 3, under “Electrical” section – specifics of technical equipment; under “Main Rectifier Transformer” section - specifics of technical equipment; under “Direct Current” section – specifics of technical equipment	(b)(4) Proprietary Information
Noble CBI Set 2 – 00006	Page 4, title – Identification of product; top of page – serial number and identification of Noble employee	(b)(4) Proprietary Information (b)(6) Personal Information
Noble CBI Set 2 – 00006	Page 4, “Piping/Flow” section – specifics of technical equipment	(b)(4) Proprietary Information
Noble CBI Set 2 – 00006	Page 5, third line – Serial number	(b)(4) Proprietary Information
Noble CBI Set 2 – 00006	Page 5, top of page and bottom of page - Identification and signature of Noble employee	(b)(6) Personal Information
